Work History

2023-12 - Current

Programmer Analyst

Cognizant Technologies Solutions, Bengaluru

As a Programmer Analyst in Automation Testing and Software Development Engineer in Test (SDET) within the QEA-Insurance domain. Additionally, My strong analytical skills, attention to detail, and effective communication have consistently contributed to successful project outcomes.

2023-09 - 2023-12

Programmer Analyst Trainee

Cognizant Technologies Solutions, Coimbatore

As a Programmer Analyst Trainee in Automation Testing, I have hands-on experience with Selenium WebDriver, TestNG, Cucumber, and Apache POI.
I effectively create and maintain test scripts. My role involves collaborating with developers to understand requirements and deliver high-quality software solutions.

2022-01 - 2022-07

Web Developer Intern

OctaNet Pvt. Ltd., Bengaluru

I contribute to web design projects, ensuring responsive and user-friendly interfaces, and conduct cross-browser and regression testing to maintain software quality.

2021-04 - 2022-01

Web Developer Intern

CadDesk Pvt. Ltd, Jaipur

Developed interactive prototypes using HTML, CSS, JavaScript, and jQuery for client presentations and feedback sessions.
